

INFORMATION CONCERNING COVID-19 RESPONSE FROM CSBS&C

WILL THE SCHOOL REMAIN OPEN?

- We are monitoring regularly updated advice from Alberta Health Services. Until we are instructed otherwise we will continue to offer classes on our campus. We encourage each member of our learning community to access timely information at:

<https://www.alberta.ca/coronavirus-info-for-albertans.aspx>

<https://www.albertahealthservices.ca/assets/info/ppih/if-ppih-ncov-2019-public-faq.pdf>

- In the event that Alberta Health urges schools to suspend on-campus classes we will transition students to online live or flex class access. In such an event, students will receive information pertaining to the transition. No additional fees will be charged for this transition. If you are in attendance remotely you will not be counted absent.
- If you have questions about class schedules, please contact Sue Smith at Sue.Smith@csbs.ca.

WHAT IF I AM QUARANTINED OR BECOME SICK?

- In the event that a student is unable to attend class due to quarantine or sickness, that student is encouraged to join the class remotely. You are required to contact Sue Smith (Sue.Smith@csbs.ca) to set up a remote session. No fees will be charged for this service.
- A student who has been quarantined or sick should correspond with Sue Smith about an appropriate time to return to the on-campus classroom.

CAN I STILL REGISTER FOR INTENSIVE CLASSES?

- We understand that the spread of COVID-19 has resulted in uncertainty about personal health, future travel restrictions, and Alberta Health restrictions. We still encourage students to register for May intensive classes. In the event that a student is unable to attend class due to sickness or COVID-19 related restrictions, all cancellation fees will be waived.

HOW DO YOU PROTECT YOUR HEALTH?

To protect yourself and others:

- use good hygiene practices, such as frequent hand washing
- cover coughs and sneezes
- avoid touching eyes, nose and mouth with unwashed hands
- avoid hand shakes, etc.
- stay at home and away from others if you are feeling ill
- contact your primary health provider or [Health Link 811](#) if you have questions or concerns about your health
